We are pleased to introduce our youngest sire to the stallion battery of Hetletved Quarter Horses. "Pete" is an old-fashioned, foundation built stallion with muscle, hip, and and bone. Pete was born on our ranch and was purchased from Tim Teel of Nebraska. We were fortunate to have the chance to buy him back prior to this breeding season. We look for Pete to be the perfect outcross.

Pete's pedigree represents: 53.2% Peter McCue cross connections, 12.5% High Rolling Roany, 11.8% Piggin String, 9.6% Locks Rondo, and 4.9% Driftwood.
