**Sunday, August 16, 2009  
Cowboy Church Service, 8:00 AM**

**MRB Sale Preview, 9:00 AM - 1:00 PM**

**Missouri River Breaks Sale, 2:00 PM**

## **Terms and Conditions**

**Sale Location:** Bismarck, ND at LH Equine Center. Take Bismarck Exit 159. Head North 9 miles on Highway 83. Turn West on 149 Avenue NW, travel 3 miles. LH Equine Center is on the North side of the road.

**Sale Day Phones:** 701.226.1363; 701.226.2775; or 701.220.4720.

**Ranch Phones Prior to Sale Day:** Hetletved Quarter Horses' 701.392.8351; MRB Sale 701.221.0696 or 701.226.1363.

**Lunch:** Available on the grounds by Winkler's Chuck Wagon of Mandan, ND.

**Accommodations:** Host Hotel is the Comfort Inn Suites. They are offering sale discounts at the state rate. Just ask for the block under "Hetletved Horse Sales." Phone is 701.223.1911. Take Bismarck Exit 159 North, turn West at first stop light. Other hotels along the way to LH Equine Center include: Fairfield Inn, 701.223.9077; AmericInn, 877.205.8226; and the Best Western Doublewood Inn, 1.800.780.7234.

**Transportation:** Bismarck, ND is served by major airlines with auto rental available at the Bismarck Municipal Airport. Looking for professional horse haulers? We have two that use our place as a resting spot along the way: Charlie Gibson of Thorp, WA, 509.607.9904; Don Weideman of Sioux Falls, SD, 605.212.5451.

**Liability:** Any person attending this sale does so at his own risk. Neither the owners, sale management, nor any other person connected with the sale assumes any liability, legal or otherwise.

**Absentee Bids:** Anyone wishing to bid who cannot attend the sale may place a phone or mail bid by contacting either ranch listed above. A letter of credit is required at least three days prior to sale date.

**Registration and Transfers:** All weanlings will sell with application for registration with AQHA. HQT foals will be registered with AQHA. HQT foals' papers will be mailed to the buyers once papers are received from AQHA. Transfers will be filled out sale day, so please remember to bring your AQHA membership ID number to the sale.

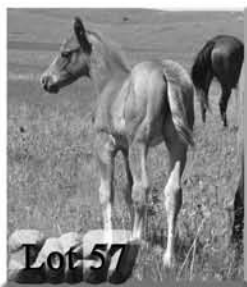

**Terms and Conditions:** Terms of this sale are cash, personal check, or cashier's check (US Funds). Driver's license or some other form of identification will be required for checks. The sale personnel will withhold registration papers for MRB horses until checks clear the bank. If any buyer wishes to obtain registration papers immediately, the horse must be paid for in currency or certified check. Every animal sells to the highest bidder with auctioneer, Seth Weishaar, settling any and all bid disputes. All horses are buyer's property as soon as the gavel drops. No delivery is available until final settlement is made on all purchases. Buyers must make arrangements for care of horses at their own risk until delivery is taken. Announced changes in the catalog information on sale day take precedence over printed material in this book. Every effort has been made to insure correctness of this catalog, but sellers assume no responsibility for errors or omissions. The auctioneer, announcer, employees, and sale management act as agents only for the sellers, but assume no liability for either the buyer or seller. The right to "NO SALE" the animal is reserved for all sellers, before they leave the sale ring.

**Health:** Health of these horses is excellent. Individual health papers with a Coggins test will be issued for shipment anywhere in the US. All Hetletved foals will be wormed, vaccinated, and handled. All Hetletved foals' halters will accompany the foals to their new owners. Every MRB horse in the sale is, to the best of our knowledge, free of disease or defect. Known defect(s) will be called on sale day. A veterinarian will be on hand to aide you in further inspection of your prospective purchases.

**Extras:** The volume buyer for Saturday's Production Sale will be presented with foal feed courtesy of Diamond W Animal Essentials of Bismarck. The volume buyer for Sunday's Performance and Ranch Horse Sale will receive a piece of tack from the same sponsor. MRB's 2009 Ranch Horse Competitors will be going for a handmade saddle made by Gary Gebhardt and sponsored by Circle K Feeds (Clyde Krebs) and LH Equine Center. The buyer of the RHC champion will be presented with a buckle made by Darryl Howard of Bismarck, ND. The top three Ranch Horse Winners will get to pick their position in Sunday's Sale. We sell in catalog order both days. New to this year is Friday's events...check out the schedules! We sincerely thank you for your interest in our sales and thank you very much for coming!

The Ronald McDonald House holds a special place in our (Lee & Penny's) hearts. When our oldest daughter was born, Kinley had an intestinal condition that required her to stay in the hospital for the first six weeks of her life. During that time, we were accepted into the Ronald McDonald House for lodging as well as fellowship. That was such an exciting time for us, and thanks to the Ronald McDonald House, there was not the additional financial burden of hotel rooms.

All proceeds of Saturday evening's entertainment along with the Lot #57 foal that our family is donating to the auction will go to the Ronald McDonald House. Currently, in addition to monetary donations, the Ronald McDonald House needs: coffee, tea, fresh or frozen meat, microwavable food items, tall trash bags, kitchen trash bags, lawn trash bags, bleach, laundry detergent, deodorant, baby wipes and food, liquid soap, shampoo, meals in a box, and meals in a can.

John L. Moore, writer, rancher, and apostolic and prophetic minister, will lead us in worship on Sunday morning during Cowboy Church. John Moore is a third-generation cattle rancher in Montana and a multi-award-winning journalist and novelist. His journalism has appeared in scores of publications including The New York Times, Readers Digest, The Western Horseman, and America's Horse. John and his wife, Debra, minister throughout the country as well as hosting ministry on the family ranch. They are parents of two grown children, Jess and Andrea, both of whom are active in Christian ministry.

Kristi LaRae Goldade will treat us to yodeling and country music on Saturday night right after the completion of the Ranch Horse Competition. On Sunday morning, Kristi will grace us with gospel music at Cowboy Church. Kristi is a 15 year old singer, songwriter, and guitarist. At an early age of 3, Kristi could be heard singing country music, and at the age of 8 she heard a yodeler at the Medora Musical. Determined to learn this technique, she practiced while feeding calves on the family dairy farm. Since her talents have been discovered, Kristi has been traveling the Dakotas, Montana, and Minnesota. In 2005 when Kristi was 11 years old she recorded her first CD "North Dakota's Yodeling Cowgirl."

# Hetletved Quarter Horses

“The Best Kept Secret in the Dakotas and Montana!”

## Gene & Jan Hetletved

PO Box 11 ~ Robinson, ND 58478 ~ 701.392.8351 ~ HQHBEK@BEKTEL.COM

Rolling hills. Blue Skies. Dakota “peaceful.” To many, this is the definition of the American Cowboy’s Heritage. To Hetletved Quarter Horses, this is simply home, where we are blessed to be able to offer you over 50 years of horse breeding.

It started in Big Sky country, where Bub and Nona Nunn saw the necessity of good horses, capable of covering big country as well as performing in the arena. Their program was accomplishing just that, and then Nunn’s discovered High Rolling Roany as a promising foal. High Rolling Roany proved to be a legend in his own time. His progeny possess amazing maternal traits from rich milk to being self-sustaining in the pasture. In addition, High Rolling Roany’s get offer size, cow ability, disposition, sound structure and mind, a will to work, and feet that will put farriers out of business.

The Hetletved Quarter Horse program offers the highest concentration of High Rolling Roany with the largest band of High Rolling Roany daughters (owning 60%). Better yet, our mares were hand-selected for their superior traits from Bub Nunn, a well-respected rancher and horseman spending his life in the Dakotas and Montana. These Roany descendants are known for their uniformity, maternal traits, and saddle-fitting withers for covering big country with good foot and bone. Hetletved Quarter Horses’ Driftwood/Hancock stud battery includes a son and grandson of High Rolling Roany, a son of Drifts Chip, a son of Frostys War Chief by a High Rolling Roany Daughter, along with Zan Gold Jackson, a son of AQHA Heading and Heeling Champion Zan Gold Jack.

In an industry striving for consistency, we’re your source for horses carrying a pedigree rich in Driftwood and Hancock. Our foals are a historical package of ancestry, full of athletic ability, cow sense, and sound foot and bone. Check out pages 4&5.

The Hetletved Quarter Horse Ranch is a family-run business that consists of a horse breeding and cattle operation located near Robinson, North Dakota. Gene and Jan Hetletved operate the ranch with the help of their sons, Lee and Clint, and families. We enjoy our horses and strive to make them nice to look at while they are being used. We work cattle the old fashioned way by dragging them to the fire. Our horses are not strangers to the chores that a ranch requires. It won’t matter if you are looking to check those yearlings that refuse to stay in or wanting to stretch that corner fence that won’t stay tight; we have a horse bred to take care of you. Whether you are interested in ranch, performance, or show, we invite you to take a look at our horses.

Lee and Penny Hetletved own and operate LH Equine Center, a stable and equine event center located north of Bismarck, North Dakota. Lee is a teacher of agriculture at Simile Middle School. Penny is the reading director at the ND Youth Correctional Center. Their six year-old daughter, Kinley, is horseback and is smack in the middle of things! She has competed in her first rodeo season and has the taste of rodeo! Hatley is 2 years old and is full of smiles, mischief, and giggles. If she isn’t in the thick of it...give her a second!

Clint resides and is employed in Twin Brooks, South Dakota. By the time this catalog is in print, he will be newly married to Lacey O’Farrell. Clint works for a rancher, and Lacey is a personal banker at a South Dakota Financial Institution.

Great horses. Beautiful country. A family working together. Friends and customers who share our vision. Glory be to the Lord. That, indeed, is the definition of the American Cowboy’s Heritage. We welcome visitors at any time.

A BIG Thank You to Our  
Past and Future Customers!

# California's Extreme Equine Experience...Dakota Style

On a quest to improve Hetletved Quarter Horse's Driftwood/Hancock breeding program, Gene Hetletved and his family continually research the industry's horses, crosses, and cutting edge equine issues. On one of these research journeys, Gene, through a mutual acquaintance, became aware of John Rudnick and his interest in Driftwood bred ranch horses. With his interest piqued, Gene called John Rudnick regarding his Driftwood horses. As the two horsemen visited about their passion, good horses, it was soon discussed about the possibility of Hetletved Quarter Horses furnishing the horses for the clinician competition during the 2006 Extreme Equine Experience in Paso Robles, California. John Rudnick wanted three horses that were closely related, and Gene had just the package—three-quarter sisters by Lonsum Drift 045 (an own son of Drifts Chip) and out of High Rolling Roany daughters. With both men finding the opportunities they were searching for, planning began.

On the Hetletved ranch, the travel plans and preparation commenced. The three-year old fillies were brought in for their spring vaccinations as well as Coggins samples drawn and health papers written. Gene and his wife, Jan, booked airline tickets. Gene and Jan's sons, Lee (Penny & Kinley) and Clint, packed their bags for the 1900 mile drive to California with the fillies on board.

Arriving two days early, the fillies had a chance to rest before Chris Cox, Ken McNabb, and Richard Winters began the round pen competition worth \$10,000. As the first day of competition arrived, each clinician drew for a round pen and a filly. Chris Cox drew pen one with Misty Prairie Drift, a gray filly. Richard Winters was chosen for pen two with Ms Drifting Roan, a blue roan filly. Ken McNabb found himself in pen three with Drifts Lonsum Chic, a brown filly.

After a mere hour and a half of allotted time, Chris Cox was riding his gray filly outside the round pen. Richard Winters was saddled and on board his blue roan filly. Ken McNabb didn't have his brown filly saddled, but he did have a solid foundation that would prove to be helpful the following day. The clinicians returned the next day with one more hour of work with each filly before the obstacle course as the competition's grand finale.

Both days' round pen time as well as the obstacle course were judged by some of the most knowledgeable professionals in the equine industry: Monty Roberts, Vivian Robertson, Pete Agalos, Gary Gordon, DVM, and Tommy Sondgroth. The obstacle course included the following requirements: mount and dismount from each side; walk, trot, canter; cross a log; step through garden hoses; and pull a log ten feet. The time limit was eight minutes with any remaining time to be used as each clinician saw fit.

The order was drawn for the obstacle course. Up first was Ken McNabb with Drifts Lonsum Chic. Ken had taken the audience on a tremendous journey the past two days as his brown filly had transformed into his trusting friend. Drifts Lonsum Chic, gently guided by Ken, traveled through the obstacle course with ease.

Chris Cox followed on top of Misty Prairie Drift. This grey filly followed each command that Cox gave her. As Cox finished all of the requirements of the obstacle course with two minutes remaining of the eight minutes given, he stood up on Misty Prairie Drift's back and gave the audience a sign to "hush." He then dismounted and walked away from the filly. As the crowd affirmed his performance, Misty Prairie Drift joined up with Chris Cox—completely in his back pocket.

Richard Winters was the last to go through the obstacle course on board Ms Drifting Roan. Midway through the course, the duo had difficulty communicating. Ms Drifting Roan used equine instincts of flight—Richard Winters easily halted these instincts and continued with the competition until time elapsed. (After our return, Richard Winters emailed: "It was great to see these nice horses who made such strong changes in the short time we had to work with them. I found these mares to be willing, intelligent, and nice to be around.")

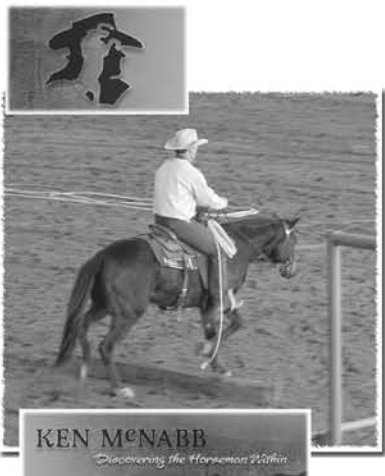

The spotlight then turned to the judges' ballots. Maureen Rudnick, wife to John and event coordinator, then had the nerve-wracking task of figuring the scores as the eyes of the audience rested upon her. The winner of the \$10,000 and title of Champion of the Extreme Equine Experience went to Chris Cox, hailing from Australia. All clinicians had displayed methodology that worked. All fillies had displayed their willingness to learn—a common disposition of Hetletved Quarter Horses.

So, where are these fillies now? Despite buyers' offers in Paso Robles, these three-quarter sisters were hand-picked to enter the broodmare band. These mares are being crossed to High Driftin Hancock and have foals in sale as Lot # 2, 14, & 26.

*On an additional note, following our experience in Paso Robles, we had the honor of Ken McNabb coming to our sale. He was impressed with our horses, and we were impressed with his integrity. He led us in Cowboy Church Services. If you've never had a chance to get to know Ken, we highly recommend tuning into one of his segments on RFD TV.*

## The Story Behind Our Breeding Program...

Hetletved Quarter Horses desired a breeding program that would produce horses possessing good dispositions, foot and bone, as well as reflecting proven foundational bloodlines within the ancestry. In addition to the physical features, we wanted horses with good minds, athletic ability, and diversity under saddle. Through much research and networking, Hetletved Quarter Horses chose the route they wanted to pursue. Our breeding program is based on three sires that possess profound consistency. These sires are Joe Hancock, Driftwood, and High Rolling Roany.

Joe Hancock was born in 1923 on the John Hancock Ranch in Texas. Joe Hancock sired six Race ROM, 2 Arena ROM, and 21 ROM Producing daughters. Joe was put down in 1943 due to complications from a pasture accident. He was inducted into the AQHA Hall of Fame in 1992.

Joe Hancock did not receive the above list of fame by being a mere sire. In those days, stallions had to prove themselves before getting stallion duties. Joe Hancock was known for his conformation. The Western Horsemen's Legends quoted Newt Keck as saying, "Joe could go to the track today and not be out of place in terms of conformation...He looked good then, and he'd still look good. Joe had the best hip and one of the heaviest loins {I'd} ever seen on a horse."

Joe Hancock raced during the true glory days on dirt roads and "lap and taps." Joe was never beaten in all his races at three-eighths of a mile. He was only beaten once in his career during a half mile race. During his off time, Joe Hancock was cowboied on at the ranch as well as breeding mares.

Diane Simmon's Legends book states, "Many ropers of today say that Joe Hancock was the all-time greatest sire of rope horses. Even third- and fourth-generation Hancocks have made good rope horses...Old time ropers say that the Hancocks were big, stout, and tough, with lots of bone...Most of them had good withers, cinched deep, and sure enough could run...Ropers still swear by these big...hard-working horses."

Driftwood, also known as "Speedy," was born on 1932 on the Childress Ranch in Texas. Driftwood had 25 foal crops before his death in 1960. We chose Driftwood breeding due to his consistency of offspring being great performers. AQHA calls him a "Legendary Sire of Roping Horses" in a 1952 article published by the organization. Driftwood is a grandsire of 16 AQHA Champions, a sire of 20 ROM earners, and is considered 100% Foundation Quarter Horse breeding.

None of the accolades are without merit, though, since Driftwood himself was quite a performer. He was known for outstanding physical ability and speed. Driftwood was a notorious lap and tap racer. His fame for this sport came not only from his speed index of 95 mph, but also due to his never getting "hot" with the many re-starts that were common to the sport. Driftwood was sold to Asbury Schell, a tough Calf Roper and World Champion Team Roper, who made Driftwood a fixture at the big rodeos across the circuit. Soon, Driftwood was known as "Speedy" due to his ability to catch cattle with ease. Driftwood was used in calf roping, team tying, single steer roping, bull dogging, and match races. According to a *Hoofs and Horns* article, Driftwood was used at a Payson, AZ rodeo where he took his riders to the pay window in all of the above events. Due to the hardships of World War II, Asbury sold Driftwood in 1943 to Channing and Katy Peake where he began his career as a sire.

Driftwood's diversity, ability, and disposition are characteristics still coming through his generations today. The Western Horsemen's Legends: Volume II quotes Jimmy Williams, one of the greatest stock horse and hunter-jumper trainers, as describing Driftwood foals by saying: "They are the best. You ask 'em to do anything, and they'll do it. They want to learn, and they have the ability to do something when you've finished with them. I think Speedy is as good a sire as there is any place."

High Rolling Roany is a Driftwood/Joe Hancock bred stallion. High Rolling Roany was born in 1985 on the Roy Cleveland Ranch. He was purchased as a yearling by Bub Nunn of Miles City, MT. High Rolling Roany died in 1998 due to complications of a foot injury while pasture breeding. Roany is buried on top of a hill that sees in all directions at the Hetletved Quarter Horse Ranch.

According to the article entitled "The Cowhorse Confluence" by John L. Moore, the purchase of High Rolling Roany happened like this. Nunn says he was "wanting a Hancock horse pretty bad" when he went to a Jayne Harris horse sale in Recluse, Wyoming in 1985. A stranger approached him and pointed at one big roan weanling. "That's the only stud colt ever saved out of Roan Prairie," the man said. "I picked up in Cheyenne on Roan Prairie and he was the best pickup horse I ever rode." The colt had been consigned to the sale by noted breeder Roy Cleveland and was named "High Rolling Roany." Just as Roan Prairie was the definition of quality by that stranger, High Rolling Roany proved to be a super saddle horse that covered the big country of Montana with ease. As a sire, he consistently gave his foals even dispositions, good foot and bone, as well as putting a "roan hide" on a majority of his foals.

High Rolling Roany proved to be much more, though, in our hearts. We were fortunate enough to be able to acquire a large band of High Rolling Roany daughters from Bub and Nona Nunn of Miles City, MT. These daughters had all of High Rolling Roany's traits in addition to phenomenal maternal traits--especially in milk production. By sale day in August, at only three to three and a half months old, many of our foals are already shed out and fat from their mama's milk. High Rolling Roany enveloped the greatness of Joe Hancock and Driftwood as well as offered more greatness within his own traits. If you would like more information on High Rolling Roany, you can find Larry Thornton's "Working Lines" article featuring High Rolling Roany in the August 2006 edition of *The Working Horse* magazine as well as a June 2008 article in *America's Horse*.

# Featuring Legends Joe Hancock, Driftwood, and High Rolling Roany...

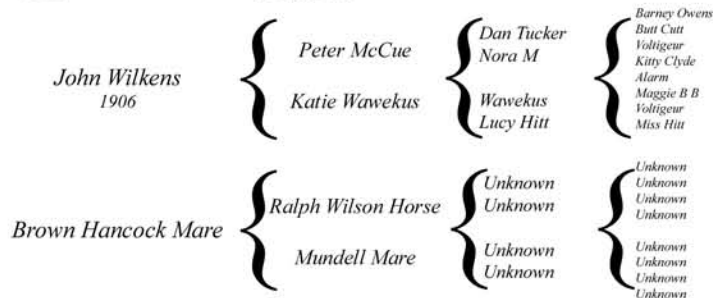

All of Hetletved Quarter Horses' current ranch stallions (with the exception of Zan Gold Jackson) are descendants of Driftwood and Joe Hancock. It's with great pride that we offer our foals who have legendary ancestors, good conformation and bone, big hips, athletic ability, and good dispositions. Most of all, though, they have proven to have minds to handle any situation, pressure, and duty.

## HIGH ROLLING ROANY

The following story segment, as well as the picture to the left with Bub and Nona Nunn, are courtesy of John L. Moore, author and Montana Rancher... "There is no lack of cow in Nunn's Roany horses. 'I saw something once I wouldn't have believed if I hadn't seen it with my own eyes,' says Nona Nunn, Bub's wife. 'Bub was working heifers in the corral on Roany, and two tried to get by him. One tried to go behind Roany, and he stuck his leg out to block it.' The Hancock line of horses have always been known for being unusually athletic for their size... 'Nick Mothershead started Roany,' Nunn recalls. 'After the first saddling he called me. 'I thought you said that horse had never been rode,' he said. He hadn't, I told him.' On his first ride Roany had behaved like a broke horse."

Reference Sire

# Lonsum Drift 045

1997 Brown Stallion ~ #3633451

Drift's 2009 foals are lots:  
1, 10, 18, 20, 23, 29, 32, 34, & 44

Drift's 2009 MRB lots are:  
15, 45, & 54

Drifts Chip

Lonsum Badger 045

Lonsum Drift 045 is a 1997 stallion that fits into our production operation nicely. He is well-dispositioned and owns an incredible pedigree. Drift rides out well...he is quick and handy under saddle.

Drift consistently produces top quality foals for our sale. He is a strong breeder that puts big hips on his foals along with good foot and bone. Several of Drift's colts are standing at stud. We also have young geldings of Drift's on several ranches, and the buyers are very pleased with them. They are smart, quick to learn, and easy to get along with.

Drifts Chip's first AQHA performers earned points in open reining and open heeling. Many of his foals are highly valued rodeo and ranch horses.

Lonsum Tiger was the 1979 NCHA Reserve World Champion Cutting Horse. Tiger Leo AAA has sired 24 Superior, 10 AQHA Champions, 4 World Champions, and 3 Reserve World Champions. Kiowas Diana, a triple bred King mare, is the dam of 3 AQHA Champions, and 592 AQHA Open Points. All of her performers are full brothers and sisters to Lonsum Tiger.

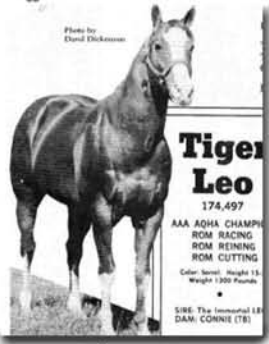

Three Lonsum Drift 045 fillies were featured at the Extreme Equine Experience in Paso Robles, CA in 2006. Check out the article on page 3 adjacent the Hetletved Welcome Page in this catalog.

High Rolling Lucky is a 1999 stallion raised on our ranch who is also a son of High Rolling Roany. He carries many of his sire's characteristics with his strong build and large frame. His bottom side offers more crosses to Hancock and Silver King.

We rodeoed on High Rolling Lucky's dam, Quintas Lucky, along with full brothers and 3/4 sister to her. His dam's full brother qualified and competed at the National High School Rodeo Finals in 1989 as a heading horse. A full sister to Quintas Lucky competed in the cutting event at the National High School Rodeo Finals in 1991.

We've had a few Montana ranchers tell us that High Rolling Lucky's get are really riding nice. They seem to have just the minds we're wanting to offer and are built to last.

## FOUNDATIONAL ANCESTRY LEGENDS OF THIS SIRE

Note: These listed ancestors are in addition to our stallions' Joe Hancock, Driftwood, and High Rolling Roany lines. Refer to the two page article on pages 4-5.

### JOHN RED

SI-95, AAA, ROM Race, ROM Arena Offspring (3), 3 ROM Producing Daughters.

### ROAN HANCOCK

Produced 5 ROM Race, 1 Roper ROM Arena, 27 Daughters Producing ROM

### SILVER KING

Sire of ROM Race, AQHA Champion, 100% NFAQHA.

### PRETTY BUCK

Sire of 274 AQHA foals, 9 AQHA Champions, 30 ROM Performance, 4 Superior Halter, 2 Superior Performance, World Champion Sire, NCHA Reserve World Champion Sire, NCHA Superior Halter Sire, Superior Performance Sire, AQHA Champion Sire, NCHA Get Money-earners, ROM Performance Sire, NCHA Hall of Fame Sire, Side Note: Pretty Buck is buried at our home, LH EQUINE CENTER.

Jackson's half-sister, Zans Red Gold, is AQHA's open all-time leading point-earner in working cow horse.

Jackson is a 1991 stallion that is sharp and well-mannered. Under saddle, he is powerful and quick. Like his pedigree promises, he is very athletic and full of performance. He is a gentle stallion with a good mind, good foot, and good bone.

Whenever we gather mares, Gene simply drives out to Jackson's pasture, saddles him, and trails his band home with ease. Jackson is very consistent in throwing foals with a lot of muscle, along with clean heads and stout chests... and What Great Dispositions!

### Jackson's 2009 foals are lots:

11, 16, 30,  
35, & 40

### Jackson's 2009 MRB lots are:

1, 16, & 21

When the brand goes on...many jobs are filled!

Volume Buyers of 2008 went to Robert and Janice Hagemester of Kinsey, MT. Robert and Janice purchased ten head that day. We sure appreciate them and their interest in our horses!

Pictured to the left is Pam Daly on "Moxie," out of a daughter of High Rolling Roany.

Pictured below is Alice Larson on "Copper" out of a Hancock mare and Zan Gold Jackson.

These two Hetlevted Horses are used for pleasure riding not only in their MN area but also travel to the Badlands of ND!

Pictured to the left is Doug Enloe of Long Prairie, MN on top of Zan Gold Jodie, out of Roan Jax Jodie #5 and Zan Gold Jackson. This dam has Lot # 44 this year. Here, Doug is using "Big Roanie" for the sheriff's mounted police. "Big Roanie" resides on Doug and Kris Enloe's Quarter Horse Ranch in Long Prairie, MN.

Pictured to the left is Hetlevted Quarter Horse's Lot 1 for 2007 selling to Lance and Tina Gerhart as their ranch's next stud prospect. Tina sent this picture of their five year old son Clay sitting on this foal just a week after the sale. This colt is out of Lonsung Drift 045 and a High Rolling Roany daughter. What dispositions!

Pictured to the left is Jay Shaw, PRCA Pick Up Man from Miles City, MT, on a High Rolling Roany grandson. Edyna Shaw shared that, "Tiny" is a 9-year-old, AQHA Red Roan gelding, standing about 16.1 hh. "Tiny" is the ultimate PRCA pickup horse and a superb all around horse! This horse travels like there is no tomorrow and has a heart that just won't quit! "Tiny" has really taken a liking to, and babysits, our oldest girl Cady Jo; she is 2 years old."

Pictured to the right is Adam Rose heading off of "Lonsung Gray Drift." "Drift" is out of Lonsung Drift 045 and a High Rolling Roany daughter. He has been used competitively at the pro level. "Drift" other hat is ranch stallion at the Roan Rose Ranch in Willard, Mo, owned by Phillip and Lynn Rose.

### Congratulations to Pam Daly

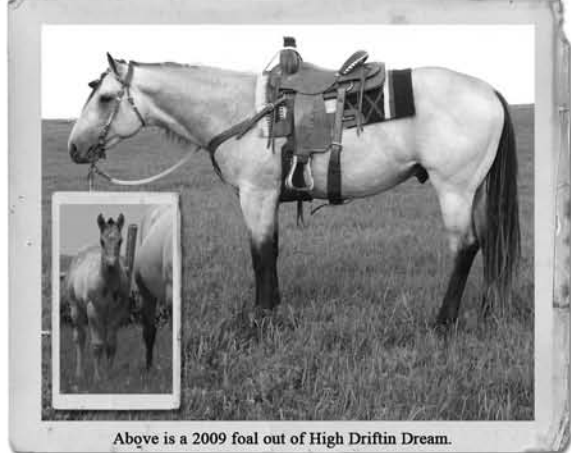

Pam Daly won her first buckle! Pam was named the 2009 Ranch Sorting Champion in a recent Minnesota competition. Moxie, Pam's HQH horse, is a fancy, blue roan mare out of a High Rolling Roany daughter and Zan Gold Jackson. We're proud of Pam's accomplishment and are so appreciative for the many things she does to assist us in sale preparations!

Pictured below and to the right is Gene on Zan Gold Jackson at the back of Jackson's band of mares with Lee on the late High Poco Jax, a son of High Rolling Roany, leading the band home to handle foals prior to sale day. Our stallions have dispositions that allow us to go to the pasture, saddle up, and change "jobs." HQH horses have ability as well as personality.

Above is Vickie Harris (left) and her daughter Cori Collins riding in Big Sky country. Vickie is riding her main ride, Jo High Jinks. "Jo" is out of a High Rolling Roany daughter from the Hetlevted Ranch. Jo High Jinks, not only being a super saddle horse, also serves as ranch stallion on Bill and Vickie's ranch.

Above is a 2009 foal out of High Driftin Dream.

Above is High Driftin Dream, a double bred High Rolling Roany purchased at the Hetlevted Production Sale a few years ago. High Driftin Dream is proving to be tremendous under saddle. Not only is he an eye appealing buckskin, but also serves as ranch stallion at Troy and Sara Vollmer's Ranch, Wing, ND.

# Our Horses Can Wear Many Hats!

Pictured above, 2008's MRB Volume Buyer went to Elvis, Jackie, and Dustin Entzel, Killdeer, North Dakota. Jackie and Dustin were presented with a headstall by Bob Olson, Store Manager of Diamond W Animal Essentials, Bismarck's Purina Dealer!.

Pictured above is Tony Ruzicka heading off of "Hot High Drifter," a gelding out of Hetletved stallion High Driftin Hancock. Tony just started "Rambo," and even as a three year old, he is handling the pressure of the arena very well. Tony Ruzicka, his wife Amber, along with their new son Gatlyn hail from Willard, MO.

Pictured to the left and below are a new winning duo thanks to the MRB Sale of 2006. Dennis and Judy Hintz purchased "Bronc" from that sale for their granddaughter Tyler. The two of them have been running and winning ever since. Below, you will find just a 'smidgen' of the awards that this duo have collected. In addition to that pictured, Tyler and 'Bronc' won the I D Division Saddle in the NBHA series. Congratulations Tyler & 'Bronc'!

Pictured above is the highest selling gelding of 2007's Missouri River Breaks Performance and Ranch Horse Sale. "Windy Night Dance" is a 1998 Finished Heading Horse that was consigned by Lee Morast and purchased by Jr. Wrangler Division Competitor Justice Johnson of Bismarck, ND for \$10,000.

Pictured above is the buckle presentation for the 2008 Missouri River Breaks Performance and Ranch Horse Sale's Ranch Horse Champion. From left to right are Penny & Lee Hetletved, MRB sale managers; David Geier of Dead Horse Draw Ranch, LLC who consigned "Docs Snuffy," and the Kent Carlson family of Dunn Center, ND. Two handmade buckles were crafted by Darryl Howard of Bismarck, ND. One buckle was presented to the champion and the matching buckle was presented to the new owner of Docs Snuffy.

Above is the 2008 Highest Selling Gelding "Pocatella Twist," AKA "Baywatch." Baywatch was consigned by Keith and Nikki Medalen of Towner, ND. Pictured above with Baywatch are his new owners, Danny, JoLee, JaDee, and Gage Feist of Minot, ND along with Nikki and Keith Medalen. JoLee had this to say about our sale, "We are so happy with our purchase. Baywatch is a solid horse with a great disposition and a great mind and was the perfect fit for our daughter, who is a beginner. We were very happy with the sale. It was great to watch the horses I was interested in perform in the ranch horse competition, as well as at the preview the next morning. It was good to have such ample opportunity to check them all out. I was also happy that I was able to talk with each of the consignors of the horses I had picked out as prospects. They were all available and did a great job at taking the time to talk with me about the horse they were offering. It was our first time to your sale and wow! what a bunch of quality horses you offered. We look forward to attending next year (and spreading the word around Minot)! Baywatch has been busy building our daughter, JaDee's confidence and teaching her how to ride. She is now riding by herself and progressing very well. JaDee will probably be able to show him in pleasure next year as well. He is just a gem and is everything that Nikki told us he would be! We couldn't be happier!" We, at MRB, strive to get quality horses from quality people--the Medalens are just that! They have another ranch-raised horse selling on Sunday as Lot # 21.

Pictured to the right was MRB's Sale Filly for the Ronald McDonald House. This filly was out of Leos Silky Sugar (2009's foal is Lot # 42) and the late High Poco Jax. Pictured here is Shelby Mulske with "Copper Penny." Shelby is an aspiring horsewoman who will be an intricate part of this filly's training. We want to say a big CONGRATULATIONS to Shelby for being on the state champion horse judging team who earned a trip to Texas to compete at the World Paint Horse Show!

# Davis Quarter Horses

*Davis Ranch was established in 1910. We have a long history of ranching and raising quality horses. We have been raising registered Quarter Horses since 1962. Zach, Kim, Kaydin, Kamry, and Karly are fifth and sixth generation family members that are involved in raising quality ranch and performance horses. We take pride with raising horses that will perform both on the ranch and in the arena, rather than raising horses for numbers.*

*Davis Ranch has built a solid Quarter Horse program based on proven genetics, disposition, and ability. Our Quarter Horses are proven through decades of success with rodeo and ranching. We aim for raising horses that will be successful no matter where you use them. We own and operate an 8,000 acre cow/calf ranch that encompasses Pretty Creek, Bear Creek, and The Moreau River Watersheds. We use our horses daily to complete our ranch work; we also use our horses for competing at the PRCA, SDRA, and NRCA levels down to local rodeo play days for our children.*

*We like to pride ourselves on our Orphan Drift/Driftwood based studs-- Orphan Ike, Dust My Buttons, and TKM Dawson Wood. We are equally proud of our home-raised Leo, Roan Bar, King, and Three Bars bred mares. These foundation bred studs and mares are the basis of our program. We believe that quality bloodlines and time-proven horses are the key to raising performance and ranch horses. We are excited to be offering this outstanding crop of colts along with our performance horses in this year's sale.*

*We would like to thank the Hetletveds for this opportunity to offer you, the consumer, our foundation bred horses. Feel free to contact us anytime at the ranch @ 605-365-5662 or 605-365-7353, HC 83 Box 133, Dupree, SD 57623. We hope you enjoy your purchases, and we look forward to hearing from and serving you.*

						Driftwood Ike
						Josephine El
						Driftwood Ike
						Orphan Annie C
						John Red
						Lonsum Cougar

Dust My Buttons is the prettiest Wilywood that I have ever seen. He is a very good heel horse as well as calf horse. I have hauled him to a few rodeos in the calf roping. Dust My Buttons is very gentle and anyone can ride him. We have several yearlings that look promising out of him not to mention that we bred thirteen mares to him this year.

Reference Sire

# TKM Dawson Wood

1999 Bay Stallion ~ #3876647

Orphan Ike is an excellent calf horse. He's my favorite to ride. I haven't bred a lot of mares to him, because I don't want to turn him out during rodeo season. Probably the best minded and biggest hearted horse that we have ever owned.

- \* Good looking filly with a clean head.
- \* Double-bred High Rolling Roany.
- \* There's lots of cow ability bred in this filly.
- \* The maternal grandsire, Two Eyed Jack, was an AQHA Champion.
- \* There's no mistaking this filly's classy quality!

- \* The foals out of this combination are friendly and kind.
- \* Nice looking filly who is always in your pocket.
- \* She has three noteworthy legends on her bottom side, including Hard to Beat, AQHA '68 High Point Halter Stallion; Gay Bar King, AQHA and NCHA Hall of Famer with 50% NFOHA breeding; and Sugar Bars, AQHA Hall of Fame with 38% NFOHA and a speed index of 95. Combine that with the topline's cow, & you have a winner!

\* Orphan Ike has been the main calf horse that I have used, and I am confident in his ability to consistently sire colts like this one.

\* This is my favorite stallion this year. He has a great mind, muscled up frame, and will be the perfect sized horse.

- \* Fabulous filly by a first time mare that was hand picked out of the heart of the Reeves program.
- \* This filly will have a lot of cow sense and able to run a ton.
- \* When you're done riding her, she will be an excellent broodmare prospect.

\* Leggy, flashy, and full of athletic ability.

\* This foal literally glides across the prairie, possessing the build to stand-up to time. Many who are now riding High Rolling Lucky horses are saying they have super minds and a sure-step needed for the rugged Montana landscape--this filly will be no exception.

\* The bottom side boasts of mighty legends as well with Orphan Drift, money earner in multiple disciplines; Sugar Bars, Hall of Famer with 38% NFQHA breeding; and On A High, World Champion Cutting Horse.
