Announced changes in the catalog information on sale day take precedence over printed material in this book. Every effort has been made to insure correctness of this catalog, but sellers assume no responsibility for errors or omissions. The auctioneer, announcer, employees, and sale management act as agents only for the sellers, but assume no liability for either the buyer or seller. The right to "NO SALE" the animal is reserved for all sellers, before they leave the sale ring.

Health: Health of these horses is excellent. Individual health papers with a Coggins test will be issued for shipment anywhere in the US. All Hetletved foals will be wormed, vaccinated, and handled. All Hetletved foals' halters will accompany the foals to their new owners. Every MRB horse in the sale is, to the best of our knowledge, free of disease or defect. Known defect(s) will be called on sale day. A veterinarian will be on hand to aid you in further inspection of your prospective purchases.

## MRB Ranch Horse Competition Pattern

- Open, enter, and close a gate.
- Dismount, lift all four feet
- Load & unload horse
- Take rope attached to a log, dally, and drag log around the barrel, and return to original spot
- Cross log
- Move to middle of arena to begin "figure 8" pattern. Begin at a slow lope, switch leads to make the smaller "figure 8" pattern. Quicken pace to a faster lope for the larger "figure 8" pattern. You may start your "figure 8" in the direction of your preference.
- When finishing larger circles of "figure 8" bring out to a straight line.
- Stop horse, settle, and back ten feet.
- Turn or spin horse each direction.
- Cattle work will be done after the dry work in the arena. There is a 50-foot round pen that will be used for this portion. Competitor may choose how to show his/her horse during this portion. Cattle work will be scored on quietness, control, and time use. All portions are worth ten points.

\*\*\*Six minute time limit. Need not use all time allotted in competition.\*\*\*
